WIRE FENCE STYLE GUIDE

PATRIOT™ ORNAMENTAL WIRE FENCE

Jerith's Patriot line of wire fence is a great alternative to aluminum fence that's strong, but has a more subtle visual presence that blends in with the environment.

Only Jerith could combine the best features of welded wire mesh with the beauty of ornamental fence to create a unique, affordable, maintenance-free fence. The time-honored styling of classic wrought iron, the outstanding strength of galvanized welded wire, and the creativity of Jerith Manufacturing have been unified into the beautiful lines of the Patriot™ Ornamental Wire Fence System. This remarkable new design satisfies the demand for an elegant, strong, and durable fencing product at a cost comparable to chain link fence.
